BIOGRAPHY

Yao Lu's research focuses on social stratification and demography from a comparative perspective. She is particularly interested in understanding the similarities and differences of various causes and consequences of migration and immigration across contexts, including China, Indonesia, Mexico, South Africa, Canada and the United States. She is working on a national survey project that collects data on migration and child well-being in China.

EDUCATION

- 2008 *Ph.D.*, Sociology, UCLA
- 2008 *M.S.*, Biostatistics/Public Health, UCLA
- 2003 *B.S.*, Fudan University, China
